

SINDHUJA G A

7418670598 | sindhuja371982@gmail.com | Tirupur, Tamil Nadu, India

SUMMARY

MCA student with a strong foundation in **Python, Java, PHP, JavaScript, SQL, database management, and web technologies**. Hands-on experience in academic projects involving **machine learning, data preprocessing, classification, Random Forest, AES encryption, cloud-based document storage, ASP.NET, and SQL Server**. Strong problem-solving and analytical skills with the ability to work effectively in teams and adapt to new technologies.

SKILLS

Programming: Python, Java, PHP, JavaScript

Web Technologies: HTML5, CSS3, JavaScript

Database: MySQL, SQL, DBMS, SQL Server

Machine Learning: Classification, Random Forest, Data Preprocessing, Feature Selection, Model Evaluation

Security: AES Encryption

Framework/Platform: ASP.NET

Soft Skills: Problem Solving, Analytical Thinking, Communication, Teamwork, Adaptability, Time Management

PROJECTS

DYSLEXIA PREDICTION BASED ON ADAPTIVE GENETIC ALGORITHM

- Developed a **machine learning model** for early dyslexia prediction using classification algorithms.
- Performed **data preprocessing** to prepare the dataset for machine learning analysis.
- Conducted **feature selection** to identify relevant features for prediction.
- Applied **Random Forest** for classification and prediction.
- Evaluated the model and improved **prediction accuracy** using the Random Forest algorithm.

SECURE CLOUD DOCUMENT STORAGE AND RETRIEVAL USING AES ENCRYPTION

- Developed a **secure cloud-based document storage system** to protect confidential files.
- Implemented **AES encryption** for securing stored documents and sensitive information.
- Developed **encrypted keyword search** for secure and efficient document retrieval.
- Built the application using **ASP.NET (.NET)** and **SQL Server**.
- Implemented secure document storage and retrieval functionality with a focus on **data confidentiality and security**.

CERTIFICATION

- Architecting Solutions on AWS
- AWS Cloud Technical Essentials
- Linux: I/O redirection for DevOps
- Blockchain and its Application

EDUCATION

Master of Computer Applications (MCA)
GRD College of Arts and Science — **8.4 CGPA**

Present

Bachelor of Computer Applications (BCA)
PSGR Krishnammal College for Women, Bharathiar University
CGPA: 7.19

2022 – 2025
